Dear Parents/Carers,

I am thrilled to be able to share our recent Ofsted Report with you from our visit just before Christmas. The content of the report encapsulates the wonderful things we do at Oakthorpe and how hard our amazing staff work to make these things happen.

I am very proud of how the children were able to articulate their learning to the inspectors and for how they were able to show how incredible they are. They displayed all of our 6Rs and showed what fantastic character traits they all have.

We will be publishing our report on our website and across our social media platforms, we would be very grateful if you could share our wonderful news.

I would like to thank all of our families for their incredible support during our inspection.

Kind regards
